The Indonesian Ophthalmologists Association – Perhimpunan Dokter Spesialis Mata Indonesia (PERDAMI) is the professional organization of ophthalmologists in Indonesia, under the umbrella of Indonesian Medical Association. PERDAMI was founded in Jakarta on July 5, 1964.

Its aim is to promote eye health and development of ophthalmology in Indonesia. PERDAMI is responsible for improving the competence of Indonesian ophthalmologists, in line with advances in science and technology, and supporting the overall well-being of PERDAMI members.

Currently, there are 24 PERDAMI branches, consisting of 2,439 members. The 2022 – 2025 Board of Council includes four bodies namely, the professional arm as Executive Body, chaired by President of PERDAMI, Prof. Budu, MD, Ph.D., M.MedEd; the academic arm known as the Indonesian College of Ophthalmology chaired by Prof. Arief Kartasasmita, MD, Ph.D.; the Honorary Board for Medical Ethics chaired by Bambang Setiohadji, MD, Ph.D.; and Internal Auditor Board chaired by Dr. Andika Prahasta, MD, Ph.D., which is held every three years.

Since 1996, PERDAMI has been conducting charity cataract surgeries nationwide, coordinated by the Cataract Blindness Prevention Section. Advocacy, fundraising activities and services for cataract and other eye health problems, including refractive disorders, glaucoma, diabetic retinopathy and childhood blindness are also among PERDAMI’s activities.

PERDAMI also considers that it is important to provide data on blindness and visual impairment in Indonesia. With up to date and consistently renewed data, PERDAMI and the Indonesian government can map the problem of blindness and visual impairment properly and to create timely strategies effectively and efficiently.

When assigning booth space, we will consider your company’s priority points, payment status, your preferred booth type and the booth location(s) you have chosen. Every effort will be made to assign one of your booth choices. If your booth choices are not available, we will ask you to submit additional selections.

Priority Points Program

The priority points program is a participation and loyalty reward system for APAO Congress corporate partners including Exhibitors and Sponsors.

The program is designed to reward corporate partners for their support and provide a clear and transparent scheduling process of the exhibit booth space order for each exhibitor.

To benefit from the priority points program, the company is required to submit the completed booking form to the APAO Secretariat by the priority point deadline of September 10, 2023. The priority points program will not be applied to late submissions.

The priority of booth assignment will be assessed according to the company’s earned priority points and payment date. Companies with the greatest number of points are assigned first, progressing to companies with the fewest.

The priority points can be accrued through attendance at the previous congress as well as sponsoring, advertising and supporting the congress programs.

When two companies with equal points request the same space, priority will be given to the company which has exhibited at three previous congresses in the past five years. If a tie still exists after evaluating this criterion, the exhibit space will be assigned on a first come, first served basis based on the booking and payment dates.

Violations of or failure to adhere to APAO policies, contracts, rules and regulations will result in points being deducted from a company’s total points.

The priority point system is subject to cancellation, change or modification by APAO at any time without prior notice.

Priority points are accrued annually and added to the cumulative total in the following ways:

1. **Exhibiting**
   - 1 point for exhibiting in the current year
   - 1 point per year for exhibiting at 5 previous consecutive congresses

2. **Booth Size**
   - 1 point for first 9 sqm of booth space

†Bank handling charges must be absorbed by the payer.
All exhibitor space fees must be paid in full by Monday, October 31, 2023. If the balance is not well received by the deadline, the company will not be assigned a booth location until the final payment has been received.

Late payment will result in priority point loss, and the congress secretariat may reassign or cancel the company’s space without notification.

Applications received after October 31, 2023 must include payment in full. Applications will not be processed until the appropriate payment has been received.

No company will be allowed to exhibit unless full payment for exhibit space has been received.
